## Meet the City's New Recreation Manager

**Clint Warnick** grew up in Manassas, Virginia and has spent the last 12 years in Utah.

Clint graduated from BYU (Go Cougars!) with a degree in Recreation Management. After spending three years working for South Jordan City as a program coordinator and recreation manager, Clint spent the last five years managing the recreational amenities for Daybreak Community Association.

He and his wife, Maren, have three children (two girls and a new baby boy). "Since my childhood, I've been involved in recreation and aquatics. **As Confucius said, 'Choose a job you love, and you will never have to work a day in your life'.** Outside of faith and family, my passion is recreation. I love to hike, play basketball, swim, and donate a large sum of tiny white balls to nature (AKA golf)". Using past job experience and looking at the needs of the city, Clint is excited to put into action his recreation vision. ***"My vision for the recreation department in this city is to provide our residents with the best programming in the state at the best facilities in the state.*** This will be done by working with the residents to update equipment, expand our programs, and look at future facility needs. I'm excited for this opportunity and look forward to working with and meeting the many wonderful citizens of Pleasant Grove City".
